# UNITED in PURPOSE

**Your support will help more than 122,748 people, or 1 in 3 Mainers, in our region.** More than 40 programs in our region receive funding thanks to your support. Partner impact reaches across our six counties and focuses on our Opportunity 2028 Bold Goals: basic needs, substance use disorder, and early childhood education.

We all want children to thrive. And we want the people taking care of them to thrive too. Created with the input and expertise of nurses, home visitors, teachers, parents, and local partners, **Bundle is a welcoming brand and initiative - incorporating a website, care boxes, and community-based efforts to help parents feel a little less overwhelmed.**

Launched in the Maine Highlands, Heart of Maine United Way and community partners have a vision for expansion with grant funding and donor support!

**Our Bundle boxes are free care packages provided to every family with a new baby in the Maine Highlands region, four times during the first year of life.** Bundle boxes contain developmentally appropriate toys, books, parenting resources, strategic messaging, as well as self-care information for the caregiver. Bundle boxes are distributed directly through healthcare providers at regular well-child visits, **promoting routine doctor's visits, which are critical to the health of the child and parent.**

“ Bundle has been one of the most rewarding and fun projects I've worked on, all while promoting the improvement of health for our community! ”
